वे चाहे जिस जहाज से भेजें, जैसे भेजें। पहले तो यह तय करना होगा, इसका पता लगाना होगा कि यह रास्ता सस्ता है या नहीं है, तभी इस रास्ते को चालू किया जा सकेगा। जब तक हम जांच न कर लें तब तक किस तरह माननीय सदस्य चाहते हैं कि हम इसको कर दें।

**SHRI N. K. SOMANI (Nagaur) :** One of the major projects hanging fire in respect of our relationship with Iran dates back to over a year ago, which was sought to be precipitated in the month of January this year when Shri JRD Tata nearly exploded at the meeting of the Advisory Council of Industries just before the arrival of Their Majesties the Shahanshah and Shahbanu. It was about early finalisation of the Mithapur fertiliser project. After that, most of the Cabinet Ministers, including the Prime Minister, had sought to delay a decision on the plea that this project has so many ramifications and is of so important a nature that all the aspects have got to be thoroughly examined before we can take a decision in the matter as to whether the Mithapur project should be in the public sector or the private sector. I would like to ask whether this policy of delaying a decision in the matter is a deliberate game of playing with the nerves of the existing promoters so that they give up the project and then automatically it could be appropriated to the public sector which is, in turn, causing such a great deal of delay as far as Iran is concerned.

**SHRI DINESH SINGH :** In his question the hon. member has brought in various things. I think it will be very much more useful if our industrialists stopped exploitation and started sharing their profits with the workers.

So far as the question of the Mithapur project is concerned, it is under Government's consideration.

**SHRI RANGA (Srikakulam) :** It will continue to be under consideration.
