

[Mr. Deputy-Speaker]

The question is:

"That for the original resolution, the following be substituted, namely:—

"This House is of opinion that in order to implement as part of the Fourth Plan an integrated development programme of agriculture to make the country self-sufficient in foodgrains and with a view to progressively curtail and ultimately stop P.L. 480 imports, the Government of India should ensure a remunerative and economic price to the farmer; give highest priority in providing the farmer cheap credit and the material inputs such as fertilisers, pesticides, better seeds, water and agricultural machinery; and assign adequate resources for giving a new orientation and emphasis to agricultural re-

search to enable it to tackle the problems which inhibit agricultural productivity.'" (15)

The motion was adopted.

Mr. Deputy-Speaker: All the other amendments fall through.
