STATEMENT RE: PRIME MINIS- TER'S VISIT TO U.K.

The Prime Minister and Minister of Atomic Energy (Shri Lal Bahadur Shastri): In response to an invitation from the Prime Minister of the United Kingdom, Mr. Harold Wilson, I visited London from 3rd to 6th December, 1964. The period of my stay in the U.K. had necessarily to be brief but the visit was indeed useful.

Before my meetings with the U.K. Premier and other Ministers, I was happy to have had an opportunity of meeting Her Majesty the Queen.

A wide range of subjects came up for discussion during my meetings with Mr. Harold Wilson and several of his Cabinet colleagues. We exchanged views fully and frankly in a friendly and informal atmosphere.

There was no formal agenda for discussions. However, some of the topics on which there was an exchange of views, were as follows:

(i) The complex international situation as seen from Delhi and London, particularly the difficult situations in South East Asia, South Asia and Africa.

(ii) Problems of peace, disarmament, particularly nuclear disarmament, United Nations, the proposal regarding the multi-lateral force, freedom for the remaining colonies and programmes of assistance to developing countries.

(iii) Balance of payment problem of the U.K.
