persons there—200 lbs.—(Interruptions). Then the police lifted him and others and in lifting them, the clothes might have been torn or the police might have committed excesses.

**Shri Nath Pal:** They stripped him naked.

**Mr. Speaker:** All right; shall the Speaker by himself see to it that the cloth is immediately tied round his body? What is it that he wants to be done?

Therefore, it is a matter of regret to me that in this House not for one day, but for two days, there is nobody here who condemns the conduct of that Rajnarain Singh, but they all come here and say that the police had misbehaved. It is very wrong. The police did what they ought to do. The Speaker did what he ought to do. (Interruptions). I would not allow it to happen here in this House—a few people trying to make it impossible for the Constitution to be observed. The majority will rule, so long as they are in the majority. The minority won't be allowed to cow down the majority. That is what has happened there; it shall not do so here. We will proceed to the next item. Sardar Amar Singh Saigal. (Interruptions).
