

[Shri Tyagi]

afraid his Ministry has let him down, because they made a protest to China about this incident without knowing the full details. On the sketchy statement taken in the beginning, a protest ought not to have been sent, for if they receive full details now and if they forward them now again to China, they will be deemed to be an afterthought.

**Some Hon. Members:** What is the harm?

**Shri Jawaharlal Nehru:** The hon. Member, Shri Tyagi's warning has force in it. That is perfectly true, but one has always to balance these things. If we do not protest at the right time, and do so weeks later, then also it may be said: "Why didn't they do so originally?"

**Shrimati Renuka Ray:** May I make a request that when the Prime Minister makes his statement about this, the full statement of Shri Karam Singh may be laid on the Table of the House?

**Shri Jawaharlal Nehru:** I just said it would not be laid on the Table—without reading it I am saying that. I am saying without knowing what it contains that I do not propose to give any assurance of this kind.

**Mr. Speaker:** All relevant facts will be taken into account including newspaper reports. The hon. Prime Minister has said that he would make as full a statement as possible. In view of that I do not think it is necessary to give my consent to the adjournment motion.
