MOTION FOR ADJOURNMENT
HARASSMENT OF SCHEDULED CASTE
CONVERTS TO BUDDHISM

Mr. Speaker: I have received notice of an adjournment motion from Shri Kamble and some others, on the harassment that is going on a mass scale at Aligarh, on account of the Scheduled Caste people being converted to Buddhism. It is said that on 13th April, 1957, nearly a lakh of Scheduled Caste people embraced Buddha Dharma, etc. How is this subject relevant here? It is a matter of law and order for the Uttar Pradesh Government.

Shri B. C. Kamble (Kopargaon): This involves violation of the freedom of religion. People are now in police custody and they are prevented from going out. The request is made that the Government of India should intervene and make an enquiry into this matter.

The Minister of Home Affairs (Pandit G. B. Pant): There is hardly any question of any sort of infringement of any fundamental right. According to the motion itself persons have been arrested by the police and convicted by the courts. I do not know how any objection can be raised to the courts discharging their functions and the police doing its duty for the maintenance of law and order. The matter does not concern this Government at all. But I believe that, on the basis of the information that has reached us, the police were forced to take action. They wanted to avoid it, and there were some efforts which, I am afraid, are still continuing, to instal the image of Buddha in the place of the idol of Rama now existing in a temple.

Shri B. C. Kamble: No, Sir.

Pandit G. B. Pant: That is our information. If it has been so, then,

*१९५३ से पहिले क भाकड़े प्राप्त नहीं हैं।

[Pandit G. B. Pant]

there has been an interference with the freedom of the exercise of one's own religion and, to that extent, the charge can be levied against those who have attempted to do so.

I do not know how we come into this matter. I may say that every person is free to adopt whatever religion he likes and I personally have no grievance if any member of the Scheduled Caste chooses to owe allegiance to Buddhism. I respect Buddhism and no one can have any grievance on that score. But Buddhism demands a peaceful attitude towards everything and the avoidance of violence. I hope those who are ostensibly adopting this religion will in practice follow the doctrines of that religion.

Mr. Speaker: The adjournment motion itself shows that some persons were taken into custody, were charge-sheeted and punished and convicted. The charge is that these people were interfering and trying to remove the idol of Shri Ramachandra from the temple. The charge may or may not be true and it is not for this House to decide whether it is true or not. There are the courts. It is entirely a matter of law and order. It is exclusively within the jurisdiction of the Uttar Pradesh Government. Therefore, I am not called upon to give my consent to this adjournment motion.

Shri B. C. Kamble rose—

Mr. Speaker: I have heard him sufficiently.
