STATEMENT RE. DECLARATION OF EMERGENCY IN PAKISTAN AND SITU- ATION ON INDIA-PAKISTAN BORDER

THE PRIME MINISTER, MINISTER
OF ATOMIC ENERGY, MINISTER OF
ELECTRONICS, MINISTER OF HOME
AFFAIRS AND MINISTER OF INFOR-
MATION AND BROADCASTING (SHRI-
MATI INDIRA GANDHI): The House is
aware of the announcement made by President
Yahya Khan yesterday declaring a State of
Emergency throughout Pakistan. This decla-
ration is the climax of his efforts to divert
the attention of the world from Bangla. Deah
and to put the blame on us for a situation
which he himself has created. Such a decla-
ration by a military regime, which has
been waging war on the people of Bangla

[Shrimati Indira Gandhi]

Desh for the last 8 months and has been threatening us with total war for the last 3 to 4 months, has no meaning except to deceive his own people and the world at large.

President Yahya Khan's Id message had created the impression that he was at least heeding the advice of a number of world leaders to abandon the military approach and to seek a political solution. We hope that the declaration of Emergency is not a device to get out of the compulsions of seeking a political solution.

Since the recession of the monsoon, the successes of the Mukti Bahini have apparently upset the plan of the military regime. The Liberation forces of Bangla Desh, with the full support of their entire people, have taken a heavy toll of Pakistan's armed forces and have freed large parts of their homeland.

At great cost to ourselves, we have been shouldering an intolerable burden of looking after nearly 10 million terror-stricken men, women and children, who have fled from Pakistani oppression. The refugees want to return to their homes under credible guarantees of safety and human dignity. We are determined to ensure that they are enabled to do so as soon as possible.

Pakistan's armed forces have been shelling our border areas inflicting damage on life and property. Their air force has wantonly violated our air space several times and once came right up to Srinagar. Spies and saboteurs have been blowing up trains and bridges. Since March 1971, we have lodged 66 protests for border violations covering 890 incidents. For air violations we have lodged 17 protest covering 50 incidents. However, these protests have had no effect and to cover up their incessant violations, Pakistani propaganda media have been putting out the story that we are engaged in an undeclared war and have mounted massive attacks with tanks and troops. This is wholly untrue. In fact, it was Pakistan which threatened total war and moved its entire armed strength into operational positions on our borders and launched a massive hate-India campaign with the slogans "Crush India" "Conquer India". We had, therefore, to take appropriate measures and move our forces to defensive positions in order to protect the integrity of our country and the lives and properties of our citizens.

It has never been our intention to escalate the situation or to start a conflict. To this end, we have instructed our troops not to cross the borders except in self-defence. We cannot ignore our experiences of 1947-48, January 1965 and of August-September 1965.

On November 21, Pakistani infantry, supported by tanks and artillery launched an offensive on the Mukti Bahini who were holding the liberated area around Boyra, five miles from our eastern border. Pakistani armour, under heavy artillery cover, advanced to our border threatening our defensive positions. Their shells fell in our territory, wounding a number of our men. The local Indian military Commander took appropriate action to repulse the Pakistani attack. In this action 13 Pakistani Chafee tanks were destroyed.

On November 22, the Pakistani forces called up an air strike of four Sabre jets on our positions. These were intercepted within Indian territory by our Gnats who destroyed three Sabre jets. Two of the Pakistani pilots, who baled out, were captured on our territory. We regard this as a purely local action.

Even though Pakistan has declared an Emergency, we shall refrain from taking a similar step, unless further aggressive action by Pakistan compels us to do so in the interest of national security. In the meantime, the country should remain untrifled. Our brave armed forces and our people will ensure that any adventurism on the part of the Military regime of Pakistan meets with adequate rebuff. The rulers of Pakistan must realise that the path of peace of peaceful negotiation and reconciliation—is more rewarding than that of war and the suppression of liberty and democracy.
